Clibrans' "Standard-Trained" Plants.

NOVEL, ATTRACTIVE, BEAUTIFUL.

We can supply a limited number of Geraniums, Fuchsias, Marguerites, Veronics, Heliotrope, etc., trained in standard form, with stems 2½ to 3 feet high, and good heads.

For Conservatory and Greenhouse decoration, planting in beds or borders over low-growing plants, or singly on lawns, they form attractive and very beautiful subjects.

PRICES:—2/6 and 3/6 each, 24/-, 30/- and 36/- dozen.

GERANIUMS, IVY-LEAVED VARIETIES.

Adapt themselves particularly well to Standard Training, flowering with remarkable freedom.

Galilee, soft rosy pink.

H. Evans, lovely pink.

Her Majesty The Queen, rosy red.

Jeanne d'Arc, milk-white.

Madame Grousse, rose.

ZONAL VARIETIES. Single and Double.

Paul Crampel, brilliant scarlet; single.

Double Paul Crampel, double form of above.

Salmon Paul Crampel, a lovely art salmon shade; single. 3/- and 3/6 each.

F. V. Raspail, bright scarlet; double.

King of Denmark, rich salmon; semi-double.

And other choice double and single-flowered varieties.

SCENTED-LEAVED VARIETY. Clorinda,

rosy cerise, large, in fine clusters; deep green, deliciously fragrant foliage; vigorous; profuse bloomer; superb as a standard.

MARGUERITES, WHITE FLOWERED.

Charming when grown in standard form. Look particularly well bedded over a groundwork of colored flowered plants—pink Ivy-leaved Geraniums for instance.

VERONICA. Quite unique in Standard form, their glossy evergreen leaves, with their spikes of light, elegant and brightly-coloured flowers, produce a delightful effect. We offer as follows:—

DARK BLUE.	LIGHT BLUE.
PURPLE.	BRIGHT RED.

FUCHSIAS. The pendulous flowers of the Fuchsia are seen to the best possible advantage when the plants are grown in Standard form.

Double and Single-flowered, in choice named varieties.

HELIOTROPE. Delightful as Standards for in and out of doors.

In two colours, **DARK** and **LIGHT**.

PLUMBAGO CAPENSIS. Clusters of charming milk-blue or white flowers; a pretty plant for sub-tropical bedding or Conservatory decoration.

In two colours, **BLUE** or **WHITE**.

VERBENA. LEMON-SCENTED. Well-known fragrant foliaged plant; a general favourite: spikes of pale lilac flowers.

ABUTILONS. Effective foliage plants for sub-tropical and other bedding or indoor decoration.

Sawitzil, foliage ivory and green; fine.

Thompsoni, leaves mottled bright yellowish green.

Special Quotations for large quantities.

Enquiries invited for Plants not included in this List.

All goods offered subject to being unsold.

CLIBRANS, THE KING'S NURSERYMEN **ALTRINCHAM.**
